Facility,
Clayton, Alabama

Welcome to St. Monica's Episcopal Church!

We are glad you are here! If you are a visitor or newcomer, please take a moment to fill out a pew card and place it in the offering plate or give to an usher. All are invited to receive communion or a blessing at the Eucharist. The Episcopal Church is known for its frequent use of the Book of Common Prayer (BCP), or the red book in your pew. If you are new to the church and need help, please make it known to an usher. We want to help!

Announcements

The **Saint Monica's Messenger** is back in publication! If you did not receive our newly restarted monthly newsletter in your email, then we need your email address!

Welcome back to “regular” worship at St. Monica’s! Due to the **new CDC guidelines**, COVID protocols are being revamped in this diocese at the congregational level. Fully vaccinated people are permitted to worship maskless. Singing is also permitted. Of course, if you feel more comfortable wearing a mask, please do not feel pressured to change your practice. Also please note that children of a certain age cannot be vaccinated yet. Please encourage them to continue wearing masks. Communion in one kind will be at the front, as directed by the usher. On each pew you’ll find sanitizer and cleaning spray. Before you exit your seat, please use the provided spray to wipe down your area. An old Scottish proverb says, “Every little bit counts!” Thanks for doing your bit.

Also, **COFFEE HOUR HAS RETURNED!**

*The flowers this week are given to the glory of
God.*
