### New Busi:

- Viv had info on how to host a UTO ingathering and a sample timeline.
- Viv also discussed UTO grants. There is 1 million \$ available nation wide. We need to start early. Focus is on "innovative ministry, addressing worldwide prison crisis, prevention and intervention and prison re entry. The grants spell out how to ask for up to 55,000\$ in step by step process.
- Set date for ladies event. 7/15 early lunch at Petrellas and movie.
- Coffee Hour New schedule out 7/23 - 12/23. Margie will put out 2x a year. She was concerned about the tea requirement for hostesses. That set up and clean up is enough. Need to plan in advance for special occasions and have event prep guides. Years ago church had a Sams membership. Deanna and Judy have personal Sams clubs membership to use. Hostesses need to check supplies pre meal.
- Beth working on a funeral list. We had funeral guide at one point.

-Closed in prayer
